Marianne: big day is more  
almost here. Just three more  
days to put up with "boards".  
I have other names for her I  
Although words how given her  
a lot of trouble this year (not to  
mention the trouble we've given her)  
we've had a flat in the parking  
Remember Robinson's fig. see place?  
don't that she will ever outgrow  
it. I put it back in all that  
time. I hope it will come. I hope  
it's good. Good luck.

## This is the perspective of Chrisman

This is the story of William Chrisman high school during the 1961-62 school year. It is a perspective view of school life in pictures and words. The *Gleam* perspective is the 2600 Chrisman students moving forward through their high school education to future horizons of adult life.

In their classes, their activities, their sports and their accomplishments — seniors, juniors, sophomores and freshmen have studied, played, evidenced school spirit and earned many honors. They have been

projecting into the future by doing their best in the present.

Chrisman students know that the ever changing age in which they live requires the acquisition of a storehouse of diversified knowledge and the inspiration of a wide range of experiences. The intervening period between September 6, 1961, and May 25, 1962, was one readying these 2600 students to meet the problems and challenges which they did and will encounter.

Typical of the school spirit exhibited by loyal Chrismanites is the poster for the North Kansas City football game. Gay Doubleddee, head cheerleader, assisted by Sandra Langevin, is placing the poster in the front hall. Similar posters were placed before each sports event as well as other school activities. Long hours of play practice, working on the yearbook after school, many hours of home work, bringing scholastic honors to Chrisman were also lasting examples of that characteristic — school spirit. School spirit in itself cannot be seen or touched, but results of its being practiced is evidenced every day in every phase of school life.

## School spirit plays a major role

Cast members from the speech play *All My Sons* enjoy a break during rehearsal. Rehearsals lasted from 2:30 until 5:30 each day. Darlene Perkins, Sue Clements, Dennis Hilker,

Felicia Soper, Lynda Hall, Billie Jo Maples, David Horn, David Russell, Jim Grumman and Dick King relax for a few minutes.

Sophomores enjoy a 30 minute respite from classes from 2:00 p.m. to 2:30 p.m. as they have lunch in the cafeteria. They eat at this time as they do not come to school until 10:58 a.m. and stay until 5:30 p.m.

Juniors and seniors begin eating lunch at 10:25 and finish at 12 noon. They have a choice of a plate lunch or they may go through the à la carte line to make their own selections

## They must be fed

Freshmen have the opportunity of relishing the food prepared by Mrs. Verna Graham and her assistants at the Division II cafeteria.

Sophomores attending the afternoon session are arriving at school at 10.50 a.m. via the Pace buses and family cars.

They then convene in front of the building on wintry days or in the halls on wintry days

Eight hundred twenty-four freshmen and 11 eighth graders crowd the halls of Division II as they change classes. It provides opportunity for an exchange of greetings and friendly conversation.

Housing only one of the eighth graders at Division II was an unique arrangement for the 1961-1962 term only. This had to be done because of the overcrowding in Junior High. The remaining eighth graders and several graders were at the Junior High.

## Crowded halls and mass attendance

Some of the most crowded halls in the school are in Division I as they go from class to class. These students create tremendous amounts of noise as they travel to and from the gym and music rooms.

Students are an interested audience as they see Mike Williamson receive the Valor Brother Cross from former President Harry S. Truman in October

1961. The assembly was held on the football field when the ROTC corps could not

most likely to be discussed in the future. Mr. Bessie is a member of the Board of Directors of the environment.

## in a discerning enriched perspective

Two Japanese girls, Yohko Ikenaga and Michiko Yajima, were students at Chrisman during the 1961-1962 school term. Yohko was an exchange student living with Karen Link in her home. Michiko came as the result of a pen pal correspondence. She lived with Dannetta Austin.

Yohko's father teaches ancient Japanese language. Her mother formerly was an elementary teacher. *Gone with the Wind*, *Exodus* and *Ten Commandments* are her favorite movies. Yohko was surprised at the size of American school books. Japanese books are much smaller.

Michiko had corresponded with Dannetta for four years. Her father is a medical doctor and obstetrician. Eiko Yajima, her mother, helps him by planning the hospital meals. *Gone with the Wind*, *The Good Earth*, *Exodus* and *A Farewell to Arms* are the books that Michiko enjoyed reading most.

Dannetta and Karen Link, Yohko's American sister, admire the kimono which Yohko is having Dannetta model.

# Administrative Personnel

DR. GUY CARTER  
*Administrative Assistant*

EMORY C. PARKS  
*Director of Instruction*

## Administrators make long range plans

Dr. Carter reflected that to many of the fine William Chrisman students the year 1961-62 may long be remembered as the year they attended school in the dark. To others, it may come as another experience in meeting the challenge of the uncertainties of the times.

To an administrator, confronted with the daily task of decision making, the year of the extended school day, may be remembered as the year of adjustment, while attempting to win the race of providing classrooms for the students.

From the curriculum viewpoint Mr. Parks stresses that William Chrisman is designed to be a comprehensive high school. A comprehensive high school attempts to provide a highly diversified program of studies to serve the many purposes represented by

the student body. The interests, plans, and abilities of the hundreds of students in the school are highly varied, and to be effective the instructional program must be diversified and flexible. Its perspective must include proper diversification.

To maintain proper perspective much planning and coordinating must be done. To help provide this coordination, during this school year coordinators or chairmen have been appointed to work with the faculty members in the various departments in planning and implementing courses that will be most effective for the students. To maintain proper perspective, the focal point of the efforts of all is in providing and maintaining the most realistic education possible for each of Chrisman's students.

Coming to the Independence school system as director of instruction in 1951, Dr. O. L. Plucker became superintendent in 1954. His duties include the general supervision of the entire school program, supervision of the planning and erection of new buildings and the maintenance of old buildings and supervision of allocation of school funds.

Dr. Plucker was graduated from Augustana College, received his Master's degree from the University of South Dakota and his Doctor's degree from the University of Colorado.

DR O L PLUCKER  
*Superintendent*

## to facilitate a banner school year

Dr. Plucker pointed out that making the William Chrisman school year a unified whole in 1961-1962 has not been an easy task. With a split shift schedule and a highly crowded household, maintaining a productive unity has been a real task.

He salutes the teachers, principals, custodians, secretaries and most of all, the wonderful young people who make up Chrisman's student body. Their deter-

mined efforts have made this year as fine as any other. Seen in perspective 1961-62 has been another banner year at W.C.H.S.

The secretaries in the central office help keep all the detailed business and detailed reports in good form. They perform all the duties of an efficient secretary which keep any office running smoothly.

EDWARD SHELTON  
*Principal, Division II*

Mr. Shelton believes that William Chrisman high school represents a great achievement, one of which all can be proud. It has contributed immeasurably to the raising of the community's standards of living and culture. It has been responsive to requests to fulfill many functions.

William Chrisman must continue to be intellectually stimulating, with high academic goals. At the same time it must provide education that develops citizenship, mental health and the ability to live effectively with others. With such guide lines, William Chrisman high school will continue to perform well its mission of helping adolescents to become responsible adults.

Mr. Brown thinks everyone at the present time realizes more and more that society demands mature and well-informed citizens. Administrators would hope that the experiences provided during the high school years

## They believe that William Chrisman

add measurably as students attempt to take their places in society. It is Mr. Brown's wish that each pupil take advantage of the school life opportunities presented to him. As the student does, there develops a confidence in his ability to make decisions for himself and to rely on his own judgment.

With maturity comes an awareness of the responsibility to make intelligent decisions based on knowledge, sound thinking and reasoning — always with a regard for the rights and privileges of others. Only insofar as students avail themselves of these opportunities will their greatest potential be realized.

## represents great accomplishments

This is William L. Burlingame's first year as vice-principal. He earned a Bachelor of Science in Physics degree from Central Missouri State College and a Master of Science in Education degree from the University of Kansas. His experience includes 12 years as a mathematics teacher.

Mr. Lefever has been vice-principal at Chrisman 17 years. Mr. Burlingame shares Mr. Lefever's views as to the adjustment of William Chrisman students during this year and the effect it will have upon future years. They believe that the 1961-62 school year at William Chrisman has been "different" in several aspects for all those concerned with the school and its activities. Many anticipated problems turned out to be not so serious after all; on the other hand many new ones arose.

Conditions this year forced upon all personnel and students a period of adjustment, troublesome at times to be sure, but on the whole stimulating. Everyone became flexible when he may have been self satisfied.

A good school, to be a growing vital entity, must assume a practice of continuing self appraisal and critical evaluation of its practices, goal and beliefs.

It is hoped that this growth with and for Chrisman students profiting from the past experiences, may continue long into the future.

MRS. ROBERTA DeKESEL  
*Library Clerk*

MRS. RUTH ARNOLD  
*Attendance Secretary*

JOSEPH F. BENSON  
*Principal, Division 1*

When asked to give his perspective of the educational program offered at Chrisman Mr. Benson replied that the fundamental purpose of education in Chrisman is to provide an instructional program to

reach the need of all students of high school age who are able to benefit from instruction.

To reach these needs, the program must provide now and in the future: *unity* — by means of general education which is the common preparation for citizenship and social competence and *diversity* — by means of specially selected programs of study to meet the interest, individual goals and differences in abilities of students.

It is hoped that in high school, students will acquire many opportunities to live adequately and richly in their social environment.

Through such abundant living, it is anticipated that students will: (1) speak clearly, write effectively, read efficiently; (2) listen intelligently, observe skillfully and attack problems confidently; (3) acquire a desire to live wholesomely; (4) develop an interest in the processes of government; (5) observe the laws of their country and (6) accept the principles of a democratic government.

A desire to follow this program and to live by these principles will make for all a happy full life.

## Principal stresses unity and variety

Secretaries who comprise the office force of Chrisman become an integral part of the entire personnel. They keep numerous records, make numerous reports, answer phone calls, listen to the complaints of

teachers and students and write tardy and absentee admits, just to mention a few of their duties.

Some of them are in the office from 7:00 a.m. until 5:30 p.m.

Members of the Board of Education met in regular session Tuesday, September 1, 1963 to discuss the progress of the building program of the school system. Numerous sessions were held to solve the many issues cognizant to the building program. These members are *SEATED*: J

AMES MCCLURE, Chairman; Mrs. FLOYD SNYDER, SR., Vice-Chairman; Mrs. J. B. BARNES, Secretary; Mr. J. B. BARNES, Treasurer; Mr. J. B. BARNES, Member.

## Board of Education plans for future

How does a Board of Education plan for the space age? By first planning for the present. It believes that the child is the center of the school and the prime reason for its existence.

Mrs. Snyder further reflects that every effort is made to staff the schools with well trained conscientious teachers. Their goal is to develop citizens, who are valuable to society, by encouraging and guiding the individual to work out his own ideals and the manner in which he will meet and work with his fellow man.

The Board of Education is the legal instrument, responsible for providing buildings, staff and policy for children of the district. It is the interest and support of their parents and neighbors who build in them the desire and ambition to take advantage of all opportunities offered.

The board will continue to plan for the present and the future. They hope that each student will always remember to "Follow the Glean."

## Parent Teacher Association

MRS. L. E. OBERHELMAN  
*President*

Interested parents and teachers comprising the membership of the Chrisman Parent Teacher Association have had as their theme, "Know Your Schools" for this school year.

Back-to-School night was the evening of September 28 at Division I and October 10 at Division II. Parents went through their child's regular schedule. This gave them opportunity to meet the teachers and learn what each course included. College night, December 1, provided an opportunity for parents and students to learn about their preferred colleges and universities.

Another meeting was held February 15 and the concluding meeting in April.

Schools are maintained for students, but students without teachers would accomplish nothing. Teachers are needed to guide students toward their perspective goal. The faculty for 1961-1962 was comprised of one hundred eight instructors. Among these, seventy-two taught at Division I and the remaining thirty-six at Division II.

Teachers spent many hours preparing and teaching lessons. More time was needed to grade papers. Several teachers were still going to school, so that they would be better qualified as instructors. Many stayed after school hours to help students or to sponsor class and club activities.

Mrs. Ruth Brown, Latin teacher, Mrs. Mary F. Clements, Spanish instructor, and Miss Verda Riller, French teacher, made certain that both divisions had foreign language classes. Don Welborn, music instructor, also taught music at both divisions.

Kenneth Smith, C.O.E. instructor was called to active service with the 442nd Air Force squadron at Richards-Gebaur air base October 1, 1961. His tour of duty will include 12 months or more. Lawrence Cook was his temporary replacement.

The success of students depends on the teaching ability of the faculty. The march through perspective is enriched by teachers.

## to satisfy the appetites of all

During the 1961-62 school year, cafeteria personnel were busy preparing lunches for students and the teachers. Early morning hours found them working ardently on the various dishes they were to cook that day.

Division II was not affected by the split-schedule, so Mrs. Verna Graham and her workers lived a normal life. However, Mrs. Lois Bridges and her helpers had a mammoth task of cooking for two shifts of students.

7:15 a.m. found them busily getting ready for the first lunch shift beginning at 10:25 a.m. and ending at 12:00 noon. Seniors, juniors and morning schedule sophomores ate this shift.

Immediately the women began the task of satisfying the appetites of the 10:58 a.m.-5:30 p.m. shift sophomores. These students were fed from 2:00 to 2:30 p.m. Those who desired ate a regular lunch in the cafeteria and others ate at a snack bar.

Flossie Smith, Juanita Bryant, Dorothy Mueller and Verna Graham prepare the lunch for Wednesday, September 20, at the Division II cafeteria. Large quantities of food must be prepared to appease the appetites of eighth graders and freshmen.

Forming a broom brigade to clean the floors of Chrisman Division I are: William Allega, Thomas Gillespie, Michael Friend, Perry Hobbs and Floyd Burnell

## Their work brightens day for all

Joe Johnson, Aryle Brown and Ralph Bayre keep Division II clean by their endeavors from day to day with brooms, mops and shining.

A first for this section was a nation for the Chrisman Division I. Mrs. Leona Peters, who has just moved into this position. She greeted everyone with a friendly smile.

On duty twenty-four hours a day are the 18 custodians working at both buildings. Eleven of these men and one woman keep Division I in trim condition.

Each hour in the day some of these people are on duty maintaining pleasant surroundings for the students and teachers. Their work is so scheduled that one or more of them is on duty every hour of the twenty-four.

Not only do they keep the buildings clean and in good condition, but these men and one woman are always ready to help with problems of students and teachers. These problems may be opening a stuck locker door or placing some piece of equipment at a certain spot at a certain time. However, regardless of the query, they cheerfully give their time and energy to help those in need.

Don Barham, maintenance-fireman, George Davenport, building supervisor and Albert Isbell begin a Monday's work by mending a locker and cleaning the floor of the front hall during first hour.

Armed with brooms and dust cloth Fred Gardner, James Cooper and Delbert Tovey begin their task of cleaning the halls and rooms of Division II.

## in Chrisman

Wayne Richardson, Raymond King and James Stamberger use their broom and dust mop to remove the day's collection of dirt and grime from Division I.

## JUNIOR AND SENIOR MAJORETTES

Carol Morton, Terry Jackson and Diane Chaney practice continuously to learn to lead the band in showy displays of skill designed to entertain many crowds. Their talent adds great enjoyment to the band performances while the band is marching or when the majorettes execute baton solos.

Janice Sprague, junior, helps sophomores Carol LaMonte and Kathy Douglas master the art of cross-examination, an important phase of debate work.

Fifty-two novice and varsity debaters were under the direction of Miss Margaret Meredith, debate coach. These students spent many hours preparing debate cases considering the question, "Resolved that the Federal Government should equalize educational opportunity by means of grants to the states for public elementary and secondary education." Each debater had a colleague with whom he worked, the two debaters forming a team. These teams debated negatively and affirmatively in tournament competition. To be a good debater one must have poise, good voice quality, good gestures, good posture and well developed and definite ideas. The first few weeks were spent teaching novice debaters, and refreshing the experienced ones, these qualities and the fundamentals of preparing a debate case.

The second semester was devoted to individual events. Included were boys' and girls' extemporaneous speaking, original oratory, non-original oratory, humorous interpretation, dramatic interpretation and duet acting. Dramatic and humorous interpretations were limited to eight minutes. Duet acting cuttings may not exceed ten minutes. Extemporaneous speakers may talk for five to seven minutes. Orators may not speak longer than eight minutes.

Cuttings in dramatics, humorous and duet are taken from well known plays of good quality. Extemporaneous speakers are given forty-five minutes to prepare their speeches on a given topic.

Chrisman debaters worked diligently throughout the year, each one working for the same ultimate goal to represent Chrisman in the National Debate Tournament.

## Council devises versatile enterprises

Color days, silence days and pep assemblies are all part of the many activities planned by the William Chrisman student council. Early last summer, the officers attended a state workshop for student council officers.

Various committee members have devised many enjoyable Beartowns, made posters for the games, scheduled assemblies and conducted elections.

A *Glean* signing mixer and selling handbooks and Bear Facts books helped to finance their projects.

The council was represented at the district convention in Clinton. They also attended the state convention in March in Kansas City.

In February, the student council launched a two-week campaign to raise money for next year's foreign

exchange student. This year, the council appointed a committee to arrange for the two Japanese students, Michiko Yajima and Yohko Ikenaga, to be included in all school events. Both girls were members of the student council.

At Christmas time the annual collection of baskets for needy families was once again made. Several homerooms combined to prepare 20 baskets of food and clothing.

This year, the student council changed the wording of the school song. By voting through the homerooms, the words "our old high" were altered to "Chrisman high." It was felt that this would promote school spirit.

## Group action attainments worthwhile

Promoting better relations between students, the faculty and the community are the main objectives of the Division II student council. The sponsor is Miss Harriette Weatherford.

Activities in which the club participated this year were a well-attended party for new students in the school, the adoption of ten needy families for Christmas, decoration of the halls for the holidays and advertising the freshman football and basketball games. A "silent" day was observed by the club and students.

## Meet effective teaching techniques

Secretary Gay Doubleddee discusses the plans of a forthcoming meeting with John Davies, Kim Clark, Joline Oberhelman, Jonatha Hammer, other officers of Future Teachers. They planned interesting biweekly meetings.

Future Teachers of America, sponsored by Mrs. Florence Brush, is an organization which includes in its membership those Division I students interested in teaching as a career.

The club participated in many activities such as an observation week at Ott Elementary School; practice teaching in any Independence school for one day; and attending the "Invitation to Teaching" in the spring at Kansas City University.

Future Teachers sponsored two scholarships this year. These were the J.N. Hanthorn Loan Scholarships of \$300 each.

Heading the organization were: president, Joline Oberhelman; vice-president, John Davies; secretary, Gay Doubleddee; treasurer, Jonatha Hammer; reporter, Kim Clark.

Many interesting speakers talked at several meetings. They included Miss Dorothy Bates, guidance counselor at Division I; Miss Janice Oberhelman, who spoke on her experiences in Norway; Mrs. Mary Chaisson, student teacher from CMSC; and Miss Dara Viravong, a teacher from Laos.

## Pep club strengthens school spirit

Giving loyal support and enthusiastic cheers at the athletic events throughout the year were the 110 members of the Pep club. Due to the schedule this year, the membership was restricted to sophomores through seniors. These girls could be seen in their uniforms of blue and gold adding more enthusiasm in the pep assemblies and promoting school spirit throughout the building.

In addition to these activities, the Pep club held a magazine sales contest as a means of making money. The club received a percentage from each magazine sold. The high salesman was Sue Downs.

One of the service projects of Pep club this year was the adoption of an orphan overseas. Each month they sent \$15 for the care of the child.

## by nurturing sustaining enthusiasm

The candidates for Mr. School Spirit were nominated by these girls for the sophomore, junior and senior classes to choose by ballot. This is an annual event to give some boy recognition for his work and support in school events.

The football and basketball homecomings were under the supervision of the club. They are in charge of all decorations.

The officers for the year were president, Sue Parkman; vice-president, Carol Luther; secretary, Dana Austin; treasurer, Jackie Boetjer; parliamentarian, Linda Burnup and recorder-historian, Cissy Jett. Working alongside the girls and their activities and meetings were Miss Dorothy Bierbaum and Mrs. Dixie Droege, the club's sponsors.

## Apprentice pepsters engender spirit

A new club was introduced into the William Chrisman school organizations this year. This club was the freshman Pep club, composed of 120 lively, enthusiastic girls.

The girls and their sponsor, Mrs. Verna King, attended all home football and basketball games and track meets.

Officers for the year were: president, Kaye Huhn; vice-president, Pat Pritchett; secretary, Jackie Kelly; treasurer, Martha Taylor.

## Gives students practical experience

Offering students an opportunity to gain valuable experience in the business field, the Cooperative Occupational Education club of William Chrisman aspires to increase the interest of its members in future business of the community. This interest will prepare them to be better citizens of the community, state and nation.

Three representatives: Fred Beaman, Sharon Vaughn and Lois Wisemore with the sponsor, Lawrence Cook, attended the state COE meeting in Columbia and Jefferson City, October 23 and 24. A party for club members and their dates was held in January. The annual Employer-Employee banquet was enjoyed in the spring.

One of the most popular clubs at William Chrisman is the Spanish club, sponsored by Mrs. Florence Brush. With 67 members, the club encourages any student now enrolled or having been enrolled in Spanish, to join. Also, any Spanish speaking student is invited to become a member.

At meetings held the first Thursday of each month, the club offers such activities as the newly formed Latin American Band.

The club took their annual trip to Guadalupe Center, December 7, for a Mexican supper. After the meal, the club enjoyed dancing to Spanish music.

Speakers at the meetings included Marie Salome Castillo, Digna Hernandez, Natalia Morquin and Rosalia Castillo. These girls were from the LaBuena Fe

High School Red Cross is a club interested in the welfare of others. It has proved this by participating in many varied activities throughout the school year.

The officers for the Division I High School Red Cross this year are: president, Galen Carlile; vice-president of program, Gloria Bain; vice-president of outside activities, Leslie Morris; secretary, Mary Kay Campbell; treasurer, Nancy Sanders.

Among the programs carried out this year were Christmas stockings for the veterans' hospital, chests filled with necessities to be sent to schools in disaster and the voice from home project, sent to men in the service.

As is done each year in High School Red Cross two representatives were chosen, and sent to leadership training at Unity Farm. Representing Division I were Galen Carlile and Mary Kay Campbell.

Nancy Sanders, Gloria Bain, Galen Carlile, Leslie Morris, and Mary Kay Campbell are the officers of the High School Red Cross. They have carried out many projects for the year.

The Science club of William Chrisman II was organized to help students gain a more accurate knowledge of science. The Science club joins forces in an important educational movement — discovery and developing scientific talent in the American youth.

The Science club members are responsible for the operation of the club. During the year they see films, have speakers come to talk to them and go on field trips. Highlights of the year were a field trip to the James A. Reed Wildlife Conservation Area and a talk from a representative of the Standard Oil Refinery.

"Future Homemakers of America toward New Horizons." is the motto of the Future Homemakers at Division II. The purpose of this club is to give interested girls the opportunity to fulfill the desire to become accomplished in domestic skills.

Meetings are held the third Wednesday of every month. Two organizational meetings were held at the beginning of the 1961-1962 year to plan the activities for the remainder of the year. Other activities included business meetings, social hours, educational speakers, money-making projects, and a school project.

Officers this year were: president, Sandra Williams; vice-president, Evelyn Field; secretary-treasurer, Sharon Bearly.

## Their zeal keeps library attractive

Aiding Miss Grace Pulliam in the task of keeping the library running smoothly and efficiently was the Library club, composed of Division II freshmen.

The major activity of the club was to keep the library and bulletin boards decorated. It was often necessary for the members to stay after school to perform this task. The club had a Christmas party on December 13.

In the spring the faculty was honored by a tea given by the club members.

Officers for the 1961-1962 school year were: president, Margaret Stewart; vice-president, John Tyson; secretary, Eileen Nolan.

Processing new books to be placed on the Division II library shelves are Barbara Bailey, Kathy Blackwell, Mike Gordon and Candy Dragon.

The library at Chrisman I has indeed been a busy popular department this year. Until a new high school building is finished, it is necessary to have two shifts in the building, which other times houses just a 1000 students. The library is open from 7:15 a.m. to 5:30 p.m. to students who earnestly desire to use it.

The regular librarian, Mrs. Mayme Piper, and the librarian-clerk, Mrs. Roberta DeKesel, with 16 student assistants, guide, direct and give information to the 1,773 students who wish to enjoy and obtain knowledge from the numerous facilities of the library.

Chrisman I library is in its fifth year in the new building and has 4,274 books. With an appropriation of \$1.75 per pupil, it is rapidly growing. Forty outstanding magazines enrich the catalog with up-to-date knowledge. These magazines are kept on file for three years

and with the aid of the *Reader's Guide to Periodicals* have quick current information for all students. The debate, speech and English students find these magazines invaluable.

The first of the school year, teachers bring in classes of new students to acquaint them with the location of the books, card catalog, and to emphasize the importance of gaining competence in the use of the library. Students are urged by the librarian to learn the Dewey Decimal System, how to find information in the many reference books and the correct way to use the *Reader's Guide* and the vertical files. Students have access to the open shelves and the facilities of the library as long as they abide by the rules and regulations.

The administration and the teachers cooperate with the librarian in making the library a truly workable laboratory for the whole school.

Modern Music Masters is a national honorary music society. The Chrisman chapter, 487, was started in January, 1960. Apprentices are selected on the basis of scholarship, character, cooperation, leadership, and service.

Tri-M has attended several concerts. They served as host to a Christmas tea following an orchestra concert with guest soloist and conductor, Dr. William Gower.

The purpose of Tri-M is to foster a greater and continued interest in solo, ensemble, band, orchestral, and choral performance; to encourage better and more discriminating habits in listening to and in the performance of musical literature; to provide wider and more frequent opportunities for personal musical expression in the schools, churches, civic organizations, and social service clubs of the community; to increase and advance the spirit of good music and musical knowledge; and further the reputation of the school as a music center.

## Four cardinal principles of society

Gregory Lefever, vice-principal and sponsor of the society, Mike Wilcoxon and J. Grumman are interested onlookers

National Honor Society members are chosen on the basis of character, scholarship, leadership and service. Five per cent of the junior class and ten per cent of the senior class are admitted each year at Christmas. New members were welcomed at an assembly, February 21, this year. Each was presented with a torch symbol.

The emblem of National Honor society is the keystone and flaming torch. The keystone bears at its base the letters C.S.L. and S, which stand for the four cardinal principles of its organization: character, scholarship, leadership and service. As the keystone is placed by the builder to hold the perfect arch in perpetual stability, so the structure of education must be held firm and true to the purposes of life by the virtues represented in this symbol.

Character, the composite of all the common virtues, sets the seal of righteousness upon every endeavor.

## Serve as basis for its membership

or. Scholarship is the power of the mind to dispel ignorance and superstition through scientific investigation of the truth. Leadership is the power of personality that blazes the trail for man's upward climb. Service is the beginning and end of education, the altar of altruism from which God's blessings to man have been vouchsafed.

Thus the keystone symbolizes the high ideals of the society. The flaming torch is the emblem of its purpose. To bear forward the searchlight of truth, to lead that others may follow in the light, to keep burning in Christman a high ambition for the enduring values of life and to serve — these purposes are symbolized in the torch.

About 69 new members, including 34 juniors and 35 seniors, were formally inducted into the society in a joint ceremony held with Quill and Scroll in the spring.

## WCHS group is mother chapter of U.S.

Preparing to decorate the front hall of Division I for Christmas are Merrie K. McConnell, Gloria Sousley, Linda Burnup and Judy Paxton.

National Art Honor society members are students of William Chrisman who are interested in and do exceptional work in the field of art. To seek membership in this organization, a prospective member must submit ten pieces of art work done within the past year. The art work is judged by prominent Kansas City artists. Upon approval of this work, the person is then initiated at a formal ceremony in the spring.

Other activities during the year have been: decorating halls during the Christmas season; putting up displays in the showcases displaying all types of art work.

The officers for this year are: president, Gloria Sousley; vice-president, Dana Austin; secretary, Linda Burnup; treasurer, Chuck Yates; reporter-historian, Judy Paxton; parliamentarian, Merrie K. McConnell.

## Thespians honor dramatic activity

Thespians is an honorary club based on active participation and interest in plays and any other dramatic activity. The members are chosen when they have accumulated ten points based on a special point system. Each person may be given the maximum or minimum points as determined by the discretion of the officers: president, Cheryl Slusher; vice-president, Larry Grabb; secretary, Pam Richardson; treasurer, Diane Sharon; and the sponsor, Mrs. Linda Pond.

Activities for the year have included two formal initiations for the new members when they were inducted into the club in October and again at the semester. Each officer read the qualifications and history of the organization which was named for the Greek, Thespis. Coke parties were also given for each of the play casts, "All My Sons", the speech play; "Our Hearts Were Young and Gay", the junior play; and "My Three Angels", the senior play.

One of the big projects accomplished by this club was the production of a "Senior Memories" assembly. Beginning with the freshman year up to the senior year, the Thespians recreated the exciting experiences of the graduating class. Plays, elections, class escapades and officers were presented as serious and humorous making the class nostalgic about their high school years. The Thespians perform every theatrical duty that is demanded of them.

Planning the "Senior Memories" assembly in Diane Sharon, Larry Grabb, Cheryl Slusher and Pam Richardson, Thespian officers.

Seven juniors and five seniors were eligible for membership in Quill and Scroll, the International Honorary society for high school journalists. Their admissions to membership were based upon scholastic rank, superior work in some phase of journalism and recommendation of the adviser and the executive secretary of the Society.

Quill and Scroll, the International Honorary society for high school journalists, was organized April 10, 1926, by a group of high school advisers for the purpose of encouraging and rewarding individual achievement in journalism and allied fields. The Society has always taken an active part in raising standards in its field and in directing the course of high school journalism.

Since its organization, Quill and Scroll has granted charters to more than 7,500 high schools. Active chapters are located in both public and private high schools in every state of the Union and in foreign countries around the world. The Society has more than 400,000 "alumni" in all walks of life many of them in distinguished careers in journalism.

Earning their own money to finance debate trips the William Chrisman chapter of the National Forensic League sponsored the play, "All My Sons" by Arthur Miller. It was presented October 26, 27, and 28. Extra money was also earned by selling food at a football concession.

The club participated in many programs for civic and social organizations in Independence. This year, aided by the Rotarians, the NFL chapter held their fourteenth annual speech and debate tournament. Members took part in fourteen forensic tournaments and competed in the state NFL tournament.

Last summer Marnita Crookston and Phyllis Weeks traveled to the National finals. Phyllis placed sixth in dramatic reading.

Directing the organization as officers for the 1961-62 school year were: president, Dick King; vice-president, David Russell; secretary-treasurer, Mary Pat McConnell; and reporter, Lynda Hall.

The three societies presidents constitute an important part of the Shan. Here Mary Pat McConnell, As-You-Like-It president; Roxie Smith, Shakespearean president; and Yvonne Nichols, Nautilus president, consider a list of prospective applicants to the societies.

Shan is composed of the society presidents and elected representatives from each group. It is responsible for any problems which concern all three societies.

This year the Shan initiated a new method of selecting members which was based on the literary ability, scholarship, and personalities of the applicants.

The 1961 Christmas Shan was called the "Mistletoe Ball." It was a formal event. To attend the Shan, girls were required to submit literary contributions in competition for the coveted literary cup. This year the As-You-Like-It Dramatic society won the cup for the second consecutive year.

The highlight of the evening was the announcement of the Shan literary contest winners. Each society member was required to submit entry in one of the four categories. Winners in order of placement were essay: Judy Johnston, Shakespearean; Jonatha Hammer, Shakespearean; Mary Pat McConnell, As-You-Like-It; short story: Roxie Smith, As-You-Like-It; Kathy Carrker, Nautilus; Cathy Johnson, Shakespearean; poetry: Nancy Chiles, As-You-Like-It; Sharon Crawford, As-You-Like-It; Katha Andes, Nautilus; dramatic reading: Lynda Hall, As-You-Like-It; Sue Clements, Shakespearean; Diane Sharon, As-You-Like-It.

The Shan also gave a spring dance which was held in April. For this event, each society nominated a queen.

Nautilus officers: Yvonne Nichols, Kathy Andes, Cheryl Rogers, Evelyn Fry and Merrie McConnell enjoy snapshots from the Nautilus scrapbook

Nautilus Literary society, the oldest club of its kind at William Chrisman, has been attempting during the past year to uphold the high standards set by former members. Foremost in this endeavor was the adoption of new uniforms to keep pace with changing times

White wool blazers, bearing the Nautilus emblem, are worn over the traditional navy blue skirts and sweaters. The emblem, designed by society members, depicts a seahorse and the initials "N.L.S." Navy or black flats and nylons complete the uniform.

During the past year, Nautilus members participated in various activities to benefit others. Food and clothing were gathered by the girls for distribution to members of a needy family at Christmastime

The girls also spent many hours working on stuffed animals for the children's floor at the Independence Sanitarium and Hospital. This was done instead of having the traditional Christmas party for under-privileged children, because the members felt that it would be of more lasting benefit

The formal initiation, decorating for the Christmas and Spring Shan dances, and the Mother-Daughter tea were other activities which the girls found rewarding

## Shakespearean Literary Society

Participation in community activities and serving others are the main purposes of the Shakespearean Literary society.

To attain membership this year, those seeking admittance were required to have an "M+" average or above to participate in another school activity; and to present some kind of original literary material before a panel of judges.

The members meet monthly on the third Tuesday with their officers: president, Nancy Smith; vice-president, Claudia Bushey; secretary, Pat Rohrbach; and treasurer, Darlene Wieligman.

Formal initiation of new members was held December 16. Some of the many highlights of the year were the Mother and Daughter tea, the spring and Christmas Shans and the Senior banquet.

An informal initiation surprised the unsuspecting new members who were invited to an early morning Come-as-You-Are party at Marcia Soper's home.

The Shakespeareans have as their emblem the red carnation and their officially adopted colors are red and white.

Nancy Smith, Claudia Bushey and Pat Rohrbach present Marcia Yajima, Shakespearean, jacket to confirm her honorary membership in the society.

William Christian Band members presented the thirteenth annual band show the evening of January 20. The number 13 was lucky for them as the weather cooperated for sev-

eral preceding years the weather on the evening of the band show was always the worst of the winter. 'March Ziegfelds' lived by the Christian band featured the twirlers: Carol Morton, Terry Jackson and Diane Chaney.

'Elate Cocktail' was presented by Diane Hunter, Jane Oberhelman, Paula Mitchell, Jeanne Warren, Janet Sif-

ford, Jocke Boetjer and Marcy Soper. Band members accompanied them.

Student assistants in the girls' physical education classes are senior members of the "M" club. They are chosen for their knowledge of rules of the games played, leadership qualities and neatness in appearance. These girls check daily attendance and check showers. They aid in refereeing games by the girls and in giving skill tests. There are usually two student assistants in each hour. During the second semester junior girls are trained to become assistants. Student assistants this school year were *FRONT ROW*: Roseanna Marshall, Delores Matz, Laura Etzenhouser. *BACK ROW*: Connie Hays, Pat Hines, Diane Weddle, Barbara Titus, Sue DeTray, Joanna Tonsley.

Yell leaders Peggy Mulhearn, Barbara Titus, Patsy Matz and Cheryl Slusher (not pictured) were chosen by the Pep Club officers during the summer to assist the cheerleaders in carrying out their duties. These girls work harder during the football season as they act as go-betweens for the cheerleaders and Pep club. They must be active participants in Pep club, warrant acceptance of responsibility and demand respect of the club members. Yell leaders furnish their own uniforms. Their position was initiated last school year.

Joline Oberhelman, senior member and student director of band, served as drum major for her first time during this school year. It was her responsibility to lead the marching band in formations and drills at football games and during parades in which the band participated. She plays the flute in the band, she has played flute since she was in fifth grade.

## Chrisman captures second straight

Co-captains Butch Adams and Karl J. holding the conference trophy, won by the second consecutive year. The Bears were used in conference play.

The William Chrisman football squad experienced its second consecutive winning season in 1961, compiling a record of seven wins and three losses. Besides repeating as Pony Express Conference champions, the Bears were ranked ninth among area grid powers.

Chrisman opened its 1961 campaign with a pair of victories, defeating Lillis high of Kansas City, 14—0, and Sedalia Smith-Cotton, 34—13. After losing to Ravtown, 18—6, the Bears got on the victory trail once more, besting their next three conference foes. During this span the Bruins won over Benton of St. Joseph, 39—7, arch rival North Kansas City, 21—7, and added to the homecoming celebration with a 21—0 decision over the Shamrocks of St. Joseph Lafayette

Varsity coaches for the 1961 season were Bill Summa, Norman James and Ron Bruch. Right: Clay Snowden and Ed Russell coached the "B" team and the sophomore team.

## Pony Express football championship

The Bears' longest football trip in many a day resulted in a longer ride home as Springfield Parkview's Vikings proved to be ungracious hosts. The southern Missouri powerhouse dealt the Blue and Gold its second loss by a score of 7-0.

St. Joseph Central supplied the opposition for the Brums in the game which decided the conference championship. The fired up Bears handed the Indians their first loss of the year, 14-0, to claim the trophy for the second year in a row.

Its major mission accomplished, the Chrisman football machine closed out the season against two non-conference opponents, both members of the Suburban Conference. In these encounters they defeated Ruskin's Golden Eagles, 12-0, before dropping the finale to a tough Center eleven, 21-7.

Members of the football squad were aided by these eight varsity and "B" team managers. Seated in the *FRONT ROW* are: Richard Marks, varsity manager; Mike Miller, Steve Smith and Kent Womack, "B" team managers. In the *SECOND ROW* are: Dayle Champ, Ron Hancox, Jim Guillaume and Tom Dowden, all of whom acted as varsity managers.

Several unfortunate injuries marred an otherwise outstanding season for the Bears. The loss of key players in the early going prevented the Bruins from playing at full strength throughout the schedule. Heading the "cripple corps" were the four boys pictured at left. The boys and their respective ailments are Mike Chappelow, torn hamstring ligament; Dave Hickerson, torn knee cartilage; Terry McReynolds, broken collarbone; and Mike Mattox, broken ankle. All of these boys reported to practice as halfbacks. Mattox and McReynolds were offensive right halves. Chappelow played left half on offense and Hickerson specialized at defensive halfback on the right side.

# Future Bruin varsity men experience

Fine high school football teams are the result of a successful underclassmen program. William Chrisman is fortunate in having an excellent program for boys preparing for future varsity competition.

More than 150 boys reported for practice last fall, but less than one fourth of this number could be accepted for the "A" squad. The remainder of these boys formed the "B" team, the sophomore team and the freshman team. Each of these organizations is instrumental in educating its members in the fundamentals of high school football, as well as teaching good sportsmanship and maintaining physical fitness.

Cheerleaders Gay Doubleddee, Vickie Hansen, Eileen Austin, Sandy Phillips, Nancy Smith and Darlene Perkins show off their new uniforms in front of the trophy case in the front hall of Division I by ending the cheer, "Keep It Cool." Big sister Gay Doubleddee hides little sister Dale Ann who is mascot of the Pep club. The cheerleaders work during the summer to perfect their art of cheerleading by practicing and by attending a clinic for cheerleaders

## Cheerleaders spend time and effort

Striking a pose for being photographed learned at the clinic last summer are Dale Ann, Gay, Vickie, Eileen, Sandy, Nancy and Darlene. It appears that Dale Ann is holding all the cheerleaders on her knees. But leading the student body and Pep clubs in cheers involves much more than having pictures taken. Planning and practicing for assemblies and special events requires time and effort

Looking very coy and smug, the cheerleaders and the mascot affect a charming picture on the steps of a Division I stairway. Coming from the top step down are: Darlene, Nancy, Sandy, Eileen, Vickie, Gay and Dale Ann. But all the coyness and smugness disappear when Chrisman athletes go on the field or on the floor against an opponent. These are replaced by lots of action and enthusiasm

Dale Ann Doubledee, Gay Doubledee, Vickie Hansen, Eileen Austin, Sandy Phillips, Nancy Smith, and Carol Ozburn in their blue and gold uniforms and with their mega-

phones are getting ready to go to the game at the Chrisman-North Kansas City football game.

## to consummate directing activities

A megaphone is a device used to magnify sound or to direct it in a greater volume, as a very large funnel used as a speaking trumpet. Thus the megaphone proves to be very useful to the cheerleaders and actually becomes their trademark.

Dale Ann Doubledee, nine year old sister of Gay Doubledee, was chosen as the mascot of the Pep club for the 1961-1962 school term. Dale Ann spent many hours practicing the various yells in order to perfectly coordinate her antics with those of the cheerleaders.

Homecoming is a colorful event which climaxes the efforts of a committee of Pep club members, the bands and the Pep club. Attendants and escorts rehearse their role during an early morning practice

Pep club members hold the beautifully decorated arches while the band adds color to the occasion by its music and formation.

## Bears honor queen with 21—0 victory

Students and alumni gathered for homecoming ceremonies Friday evening, October 13, during the game between Chrisman and St. Joseph Lafayette. The Bears defeated the Shamrocks 21—0. Sue Parkman was chosen queen of the 1961 football season by the varsity squad. Claude Adams, co-captain and senior letterman, acted as her escort.

Attending royalty and their escorts were senior attendants Sandy Phillips and Cissy Jett, escorted by Leroy McElwee and Larry Beem, respectively; junior attendants Eileen Austin and Karen Huhn, escorted by Tom Kaullen and Karl Evans; and sophomore attendants Vicki Hansen and Susie Phillips, escorted by Roger Bridges and Dan Green.

The sophomore band participated in the festivities by forming the year 1961, and the combined sophomore and varsity bands saluted her majesty with the old standard melody, "Let Me Call You Sweetheart."

Following the crowning ceremony the student body saluted the queen with the traditional cheer.

Queen Sue Parkman and her escort, Claude Adams, gaily emerge from the last of the arches held by senior Pep club members. Cheerleaders Gay Doubledree and Nancy Smith are very happy to have the honor of holding it.

# Gymnastics augment physical fitness

Now we know that  $\mathcal{A}$  is not a  $\mathcal{B}$ -algebra. Let  $\mathcal{A}$  be a  $\mathcal{B}$ -algebra. We shall now show that  $\mathcal{A}$  is a  $\mathcal{B}$ -algebra.

Before each tumbling session the girls "limber up" by doing a series of calisthenics. This is for the safety of the girls as the possibility of injury is much less if the girls have loosened their joints. The fourth hour gym class is doing sit-ups

Marcy Cates, sophomore, is shown demonstrating to her fourth hour gym class the style she uses when highjumping. Various styles such as the roll or scissor may be used.

Perhaps the favorite stunt in tumbling is diving over prostrate bodies. The object is to see how many girls you can dive over without landing on them. Sally Therman dives over five of her classmates.

Activity in boys' gym classes is usually concentrated in two main areas: improved physical fitness through the use of calisthenics and supervised recreation. Gym boys at Division I are shown at left loosening muscles and improving coordination by jumping rope prior to the recreational portion of their gym period

# Basketeers race to undisputed win

Captains of the 1961-62 varsity basketball squad were Dick Mueller and Mike Mattox.

William Chrisman's varsity basketball squad, enjoying perhaps their most successful season in recent years, assured themselves of undisputed possession of the league trophy by sweeping their first six conference games without a loss. A 59-45 win over St. Joseph Central, Friday, February 9, left the Bears with a perfect 6-0 record in the PEC and a 14-3 record for the season.

The Bears opened the 1961-62 basketball season by defeating two Interscholastic League opponents on successive nights. They fought off the Pasco Pirates, 51-48, at K C U. Friday, December 1. The following evening they bested East's brand of Bears, 48-40, in the home opener.

Lillis high formed the opposition when Chrisman began play in the annual NKC Invitational Tournament. Turning in their most effective display thus far, the Bruins raced past the defending class M state champs, 66-51. Two nights later the Bears defeated the Warriors of St. Pius in a squeaker, 45-44, to earn a berth in the tournament finals against a powerful Rockhurst five. They had to settle for the second place trophy, however, as the Hawklets came from behind in the waning minutes to defeat the Chrisman Bears their first loss of the season, 51-50.

Revenge was in order when the Bruins played host to the same Rockhurst team a week later. The Hawklets had other ideas, though, as they moved out of a 25-25 tie at halftime to beat the Bears, 61-49.

came back on the winning trail, by blating the Center Yellowjackets, 66-41, January 2. Then they traveled to St. Joseph to defeat the Benton Cardinals, 56-50, in a much belated conference opener.

The entire varsity got into the act as the Bears humbled the Ruskin Eagles, 81-41, to record Chrisman's highest scoring total in many a day. Three days later they upped their season record to 8-2, besting St. Joe's Central Indians, 55-34, at St. Joseph.

Hitting the heavier part of their schedule, the Bruins returned home to host Lee's Summit's Tigers, who shocked the home boys with their third defeat of the campaign, 48-46. The Bears came back fighting, however, defeating Lafayette 55-48 and North Kansas City 58-49.

The Center Tournament was next on the agenda for Coach Buckridge's charges. Here they retained their title for the third year in a row with easy wins over Kemper, 71-40, and the host Yellowjackets, 55-45.

William Chrisman's sport circles were buzzing with talk of a possible league championship the week of February 5-9. The Bruins cooperated handily by racing past two conference foes, Lafayette with a score of 69-41 and Central with a 59-45 count.

As the copy for the bound *Glean* goes to press, three games remain on the schedule, including a make-up date with St. Joseph Benton, as well as encounters with North Kansas City and Westport. Then the Bears will carry high hopes into the usual post season tournaments, regional and possibly state.

Bear forward Dick Mueller shoots over a screen set up by John Ollar in the game against Ruskin

Directing the Chrisman attack were these three fine guards: Mike Erickson, John Ollar and Larry Robinson. Ollar and Erickson filled starting roles, while Robinson was

an outstanding reserve performer. Each of these boys displayed the fine floor play and outside shooting ability necessary for a top notch back court specialist.

## Players, coaches and assistants unite

Three of Chrisman's top forwards demonstrate the various methods of passing the basketball. Dick Mueller grips the ball for a two-handed chest pass, Bob Nelson exhibits the

overhead pass and Lowell Miller prepares to release one of the "sidearm" variety. Mueller was a regular starter, while reserves Nelson and Miller filled spot starting assignments.

These are the three who stand this year as seniors for the basketball team. Pictured are Warren Taylor, Dick Richman and Clay Snow. Head coach Buckner stands to the right while assistant Snow stands to the left of the seniors.

## to earn victory

These boys are the basketball team for the Boys' team in the 1960-61 season. A year ago, the team was made up of the following: Matt Miller, center; and Bill Yeager, who started at forward and played on the post.

Proudly displaying their new look and enthusiasm are cheerleaders Gay Dore, Vicki Hansen, Ellen Austin, Sandy Plummer, Nancy Smith, Debbie Peterson and Miss of Dances All Doubled.

Bill Yeager shoots over the outstretched arm of Rockhurst's Bob Bauers, under the watchful eye of another Hawklet observer. The Bears twice absorbed losses to this Kansas City power, in the finals of the NKC tourney by a score of 51-50, and later on the home court, 51-49.

# for successful basketball program

Good varsity basketball teams have become a tradition at Chrisman, and on these two pages can be seen three of the main reasons this is true. By the time a player has passed through the ranks of the freshman, sophomore and junior varsity teams, he is well-versed in the moves and intricacies of the game of basketball. He is then ready to get down to the business of playing the game as it should be played.

Chrisman is proud of its basketball sub-teams. The junior varsity and freshman squads have consistently compiled winning records, and last year the sophomore team went undefeated in its first schedule of competition.

The junior varsity takes part in a preliminary game which precedes each varsity game, with the exception of varsity tournaments, while the freshman and sophomore squads each have a separate schedule to meet.

Bob McHenry, freshman basketball coach, is pictured along with his three managers and assistants. Depicting some of their daily duties are Jeff Miller, Larry Finney, Coach McHenry and Larry Reeves.

These boys ran the hurdles for the Bears in the 1962 indoor season. They are Dave Hickerson, Nathan Kirksey, Karl Evans, George McEwen and Rex Warren.

William Chrisman's varsity track team participated in six indoor meets at the American Royal Building in Kansas City. Twenty-one boys made up the indoor squad, which will be augmented by the addition of several basketball participants before the outdoor season begins in the spring.

The Bears are fast becoming one of the area's best high school track squads. They captured the league trophy last spring.

Nine lettermen return to bolster the squad. The boys and their events are: Leroy McElwee, 50 and 440; Mike Chappelow, 50 and 440; Dave Hickerson, pole vault; Terry McReynolds, broad jump; Nathan Kirksey, pole vault, hurdles and high jump; Jim Youse, 440 and mile relay; Jim Garrett, half mile; Wilford Winholtz, half mile; and Karl Evans, shot, hurdles and the high jump.

## Indoor Track Schedule

February 3 .....	Rockhurst
February 10 .....	Center
February 17 .....	Central
February 24 .....	Van Horn
March 3 .....	Raytown
March 10 .....	Northeast

David Hickerson  
President

Mike Mattox  
Vice-President

Sue Parkman  
Treasurer

Carol Luther  
Secretary

David Hickerson, president of the senior class of 1962, has an active interest in sports of all kinds, especially football and track. He is also a member of "C" club and student council. David plans to major in forestry but is undecided on a college choice.

## Seniors progressed to their goal

Senior class officers Carol Luther, Sue Parkman and Mike Mattox are hearing Yohko Ikenaga and Michiko Yajima tell them what Japanese students would be doing during the month of October. David Hickerson, president, was in the hospital.

Serving as vice-president is Mike Mattox. Football, basketball, and track are Mike's main interests, and as a hobby he enjoys collecting pictures and records of each important sport's event. He is also a student council representative. Mike wants to attend a college with a well-rounded sport's program.

The office of secretary is held by Carol Luther who enjoys people. She is a member of many school activities such as student council, As-You-Like-It dramatic society, and Pep club. Carol will attend Central Missouri State and major in art education.

Sue Parkman, treasurer, is a member of the As-You-Like-It dramatic society and student council. She demonstrates leadership as president of Pep club, and was honored by being elected homecoming queen by the football boys. Sue will attend the University of Kansas to major in physical therapy.

# The class of 1964 readily adapted

The sophomore class officers, Pat Church, president Patsy Powell, vice-president Susie Phillips, secretary and

Marge Winebrenner, treasurer; pose for the photograph

Officers of the sophomore class for the 1961-1962 school year were four girls. The sophomores numbered a few more than eight hundred. They have been the first sophomores to attend William Christian Division I. One hundred six come during the first shift since they are in classes meeting then. The remaining members of the class attend the second shift from 10:58 a.m. until 5:30 p.m.

President Pat Church is a member of the student council. She plans to attend college but has made no definite choice. Her chosen profession is that of nursing.

Patsy Powell, vice-president, is active in Pep club and student council. She will take an I.B.M. course. Her ambitions include making as big a success of her life as possible and traveling to all parts of the world.

Susie Phillips served as secretary of her class. She is a member of Pep club and student council.

Serving as treasurer of the sophomore class is Marge Winebrenner who will attend a business college but has not yet made a definite choice.

Mrs. Vida Kraus's third hour sophomore English class is kept busy learning the use of the verbals: participles, gerunds and infinitives. These are just a small portion of functional grammar studied during the year. Appreciation of world literature is an important part of their curriculum.

# Freshmen embark on class leadership

Class officers discussing the agenda for a class meeting are Carole Parks, secretary, Ted Lewman, vice-president, Bob Schannuth, president and Jackie Kelly, treasurer

Bob Schannuth served as president of the largest freshman class ever enrolled in William Chrisman. His school activities include tennis, football and basketball. He plans to attend the University of Missouri. Bob desires to do his best in whatever he chooses to do as his life work.

Vice-president Ted Lewman is sports-minded as he participates in football, basketball, track and baseball. He will attend the University of Missouri and will major in health and physical education as his ambition is to be a coach.

Serving as secretary is Carole Parks who was a member of Pep club, Art club, French club and High School Red Cross. Her college choice is Cleveland. She would like to be an archaeologist.

Jackie Kelly, treasurer, is a member of Pep club, Spanish club and a tennis team. Attending the University of Kansas and studying medicine will prepare her for her chosen profession, a doctor. She then wants to live in Africa with the pygmies.

Eight hundred twenty-four freshmen began their high school education at Division II September 6, 1961. This is the largest class to enter Chrisman. Pictured at the right are a group of these boys and girls who are eager to begin a year's study. They quickly adapted to high school life and began making their contributions to Chrisman honors and traditions. Miss LouRette Mothershead and Mrs. Lola Stanley each had a freshman English class to help gather news for the *Encoy* and to help distribute the papers. These same students sold *Glean* subscriptions.

Dear Marianne,

Well, first of all I would like to tell you I sure have enjoyed having you as a sister, we sure have had a lot of trouble with our boys haven't we, but everything seems to work out at one time or another.

James you are the sweetest girl I know also how she looks too, just Susys stay is sweet as you are now and life will be great for you.

We sure have had some wild week-ends together this year haven't we! Dad + Mom + The Shower!

Well James guess I better sign off now since I don't have nothing else to say except that I hope our good friendship will last forever, and that I can still call you my sister. Just Remember you will always have or find me!

Love  
-Pam  
(Sis)

Judy Rosenbaum, fifth page editor of the paper, types copy for the fourteenth issue of the *Entoy* as Marilyn Kiser gives her some information. Judy had to meet with the *Gleam* staff sixth hour as her schedule was such that she could not meet with the regular class second hour. She was responsible for getting the news from Division II. Marilyn has some hall sixth period work to do.

In a somewhat sober and light-hearted manner than would be expected of the members of the *Gleam* staff as they check the members of the staff. The members of the staff are: Chuck Yates, Steve Hines, Shirley Wilson, and Phil Kiser. They are checking out the members of the staff. The members of the staff are: Chuck Yates, Steve Hines, Shirley Wilson, and Phil Kiser.

## Gleam staff reviews achievements

Even though the members of the staff are not the only ones who have achieved, the members of the *Gleam* staff which met sixth period, found that the members of the staff who had achieved in the past year were not the only ones who had achieved. The members of the staff who had achieved in the past year were not the only ones who had achieved. The members of the staff who had achieved in the past year were not the only ones who had achieved.

books are: Ken Moore, Phil Kiser, Steve Hines, Shirley Wilson, Chuck Yates, Linda Willard, Chris Smith, and Sally Hart. They are not the only ones who have achieved. The members of the staff who have achieved in the past year are: Ken Moore, Phil Kiser, Steve Hines, Shirley Wilson, Chuck Yates, Linda Willard, Chris Smith, and Sally Hart.

## Thanks to Everyone. . .

It was many persons — and work — who completed the project. I am sure the many persons, faculty, students, and administrators — all have worked together to make the publication of the 1962 Green possible.

An especial thanks to Betty Pedingtons for her basket ball action pictures on pages 106 and 117 and to the *Illustrated Engineer* for basket ball action shots to be in the supplement.

The story of the 1902 school year at Watfall, Oregon High School was made possible by the concentrated efforts of the students and sponsors' friends — a sincere thank you to all of them.

## Farewell

*Our work is done:  
Though short has been its span  
We have known brotherhood,  
And man to man  
Have felt the stirring kinship of the tried,  
The nobleness of sacrifice, the pride  
That causes man to taste the bitter with the sweet*

*And tasting lift his head above defeat  
And strongly brave his tasks,  
For, serving thus, he gives to life and eternity*

*That spark of genius bequeathed to us  
By those who taught us skills,  
Who faced the problems of daily life that we might learn to live,  
That we might guide mankind to freely give*

*And this we know when now our race is done,  
When darkness falls o'er silent halls,  
And setting sun bespeaks the end of our school span*

*We have been challenged to the best in us,  
We have been strengthened by our school life  
We go, our future, answering thy call.  
For it is well our underclassmen carry on*

*Revised from: Song of Mic-O-Say  
C.Y.*

Marianne,  
We have had  
some bad tennis in  
Secretariat's practice  
and occasionally some  
good tennis. I've  
really enjoyed knowing  
you these past few  
years. I'll never  
forget some of the  
things we did. Lots  
of laughs and best  
wishes.

Livia Jeffers

Marianne  
We've had fun  
in speech. Remember  
all of the stopped speeches  
we gave. Best Wishes  
Dennis Bryant

Dear Marianne  
Remember last year when  
we all sat at the same table  
and had a blast. You are a darling  
gal & I wish you all the happiness  
in the world.  
Love ya!  
Donna Reet Hampton

My assurance  
with you & your family  
I have a lot of fun and  
after hope to see you all  
soon. Love you all  
Dorothy
